# A Standing Long Jump

a new play by **Mat Smart**

directed by **Brian Balcom**

with

**James Craven\***

**Ali Dachis**

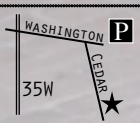

**Namir Smallwood\***

Some people fall in love at first sight. Others fall in love like a slow, bloody surrender. A play about when to leap, when not to, and how the stranger at a coffee shop could be the person who knows you best.

From the company that created *How to Cheat*, *Killer Smile*, and *American Sexy*.
